

IMPRINT SYSTEM™

Exquisitely featured and time-tested, Entre Prises' signature classic will enhance any space.

FEATURES:

- Patented 3D curved system
- Modular –can be reconfigured at a later date
- Moveable –can be relocated
- Each wall is designed to clients specific requirements
- Natural features combine with modular handhold to climb like real rock
- Polymer cement construction for ultimate durability, indoors or out
- Manufactured in our facility to minimize on-site time and costs
- Superior texture that will last

AVAILABLE IN:

- Custom applications
- Imprint portable systems
- Combination walls

Entre Prises offers 8 different types of wall constructions. We do all product design, engineering and any possible manufacturing in our plant in Bend, Oregon where our team includes designers, engineers and an in-house architect. EPUSA is 100% American owned and operated. For more information, please call us or visit our website.
